At the rear, the kitchen, fitted with traditional wooden cupboards, provides access to a second reception room, ideal for dining or family use. From the kitchen, a hall leads to a downstairs WC, the rear garden, and doors to the front and side of the property, offering practical flow throughout the ground floor.

Upstairs, there are three generously sized bedrooms, one with a built-in storage cupboard, plus a landing storage cupboard and a family shower room. While the property offers excellent space and layout, it does require modernisation, giving the new owner the opportunity to update and personalise it to their taste.

The tiered rear garden is a key feature, with a flat-tiled seating area, two decking areas, a spacious grassy section, rear access, and a shed. This home provides a fantastic canvas for those looking to create a modern family home in a convenient Barry location.
